Oliver Ebsworth

ebswortholiver@gmail.com ♦ ebsworth.github.io/PortfolioWebsite ♦ github.com/oebsworth

I am a dedicated programmer who derives great satisfaction from the process of crafting exceptional digital solutions.

Education

Farnborough College of Technology, United Kingdom   **September 2020 – May 2022**

BTEC of Game Studies.   Overall: MMP

Notable Projects

You can find more information about my projects on my website.

Kitchen Chaos   github.com/oebsworth/KitchenChaos

Tutorial game from Coding Monkey. Completed to show what I understand when it comes to Unity and C#.

Technical Skills

Programming Languages: C#, HTML, CSS, JavaScript, Typescript, Python, C++

Tools: Visual Studio, VS Code, Git, Photoshop, Blender, Figma

Frameworks and Engines: Unity, Unreal-Engine 5, React.js, Next.js, Nuxt.js

Technologies: Tailwind CSS, GSAP, three.js, MongoDB Atlas, Mongoose, Cloudinary, Sanity

Work Experience

Farnborough Fins, United Kingdom   **2019 – 2020**

As a dedicated pool helper at Farnborough Fins, I ensured a safe and enjoyable environment for young children during aquatic activities. Collaborating with the team, I prioritized safety and positive engagement for families. Unfortunately this position ended due to COVID-19.

Personal Notes

When I am able to I enjoy spending time with friends in or out of the house. I am an avid gamer, enjoying anything from single-player to massively multiplayer games.
